Racism and Anti-Semitism

HELLO

I AM...

My name is **Kate**. I am 15 years old. I used to live in Donetsk, and now I live in Kiev.

Alice is my schoolmate.

SOMEONE WHO

I am **Alice**. I am 15 years old. I am an atheist.

However it doesn't mean that I treat believers badly. I

try not to argue with people, because religion this is personal. Also you shouldn't impose the opinion to

other people.

What is the racism?

Racism is prejudice, discrimination, or antagonism directed against someone of a different race based on the belief that one's own race is superior. Modern variants are often based in social perceptions of biological differences between peoples.

I think that...

Kate:

I faced a racism in Donetsk in 2014. It was shown in the disrespectful attitude towards people of other nationalities, generally to Ukrainians. Some of my friends began to consider themselves superior than others only because they were other nationality. I don't consider it is true. It's only primitive desire of the person not to accept people around.

Alice:

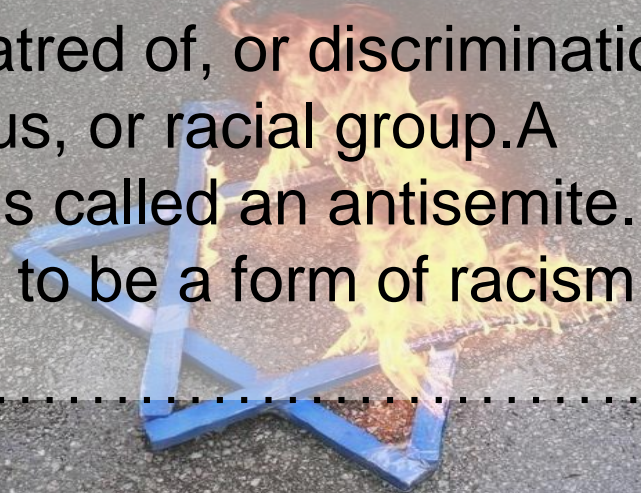

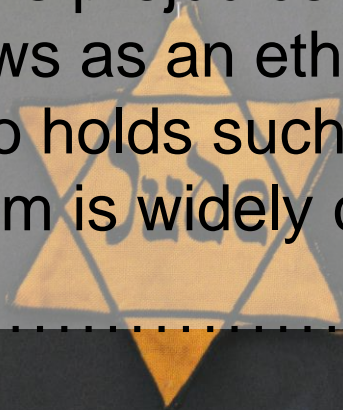

I don't support racists and among my friends those aren't presented. But I saw how residents of my city abused Afro-American tourists. I think that racism arises as people don't agree that human with other colors are same.

What is the antisemitism?

Antisemitism (also spelled **anti-Semitism** or **anti-semitism**) is prejudice against, hatred of, or discrimination against Jews as an ethnic, religious, or racial group. A person who holds such positions is called an antisemite. Antisemitism is widely considered to be a form of racism.

Jews
allowed!

I think that...

Kate:

Fortunately, I didn't face anti-Semitism manifestation. I have familiar Jews, but we always have good relations.

Alice:

As for anti-Semitism, I think that opinion regarding the individuals are created on the basis of stereotypes leading to wrong opinion about the whole nation. And it is awful when people impose the incorrect opinion to the rest.

DESTROY RACISM

BE LIKE A PANDA

**HE'S BLACK
HE'S WHITE
HE'S ASIAN**

Don't be racist!

Be like Mario.
He's an Italian plumber
created by Japanese people,
who speaks English
and looks like a Mexican.
